

## INTERNATIONAL SYMPOSIUM ON WOMEN IN COMPUTING, COMMUNICATION AND IoT

Co-affiliated symposium with

IEEE technically sponsored International Conference on  
Green Computing and Internet of Things (ICGCIoT 2018)

Women have gradually emerged as able participants in the workforce and have even advanced to hold important roles and positions. Although progress has been made, the precipitous journey is not yet complete. Global concerns about current and future roles of women in computing occupations gained more importance with the emerging information age.

The International Symposium on Women in Computing, Communication and IoT (WCCIoT 2018) will serve as a platform to explore the opportunities as well as the diverse challenges facing women in Computing, Communication and Internet of Things areas.

Prospective authors are invited to submit manuscripts reporting original unpublished research and recent developments in the topics related to WCCIoT 2018. At least one author should be a woman. The accepted and presented papers will be published in the conference proceedings and submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Irrespective of the presentation type, all papers are included in the proceedings.

For information on paper format, specification and the submission system, please visit : <http://gciot-conference.org/2018/submission.html>

### THE TOPICS OF THE CONFERENCE INCLUDE, BUT ARE NOT LIMITED TO:

- Agricultural Technologies
- Artificial Intelligence and Machine Learning
- Assistive Technologies
- Autonomous Systems and Robotics
- Big data and data mining
- Bio-computation and Bioinformatics
- Biomedical Imagery
- Cloud and Big Data Analytics
- Coding Techniques
- Communication Networks and Distributed Systems
- Computational Complexity and Cryptography
- Computational Intelligence
- Computer Education and Learning Technologies
- Computer Vision, Image processing and Pattern Recognition
- Communications Technologies for Remote Locations
- Control and Automation Systems
- Data Engineering and Data Mining
- Disaster Warning, Avoidance, and Response
- Frugal Innovations
- Genetic Fuzzy Systems
- Green Computing
- Green Internet of Things
- Health Informatics
- Human-Computer Interaction (HCI) and IoT
- Humanitarian Challenges and Opportunities
- Image, Video, and Signal Processing
- Information Ethics
- Intelligent Systems
- IoT Innovations and Technologies
- IoT analytics
- IoT and Human-Data Interaction
- IoT architectures, platforms and applications
- Legal Aspects of Computing
- MIMO & UWB Systems
- Machine to Machine Communication
- Management of Computing and Information Systems
- Mobile, Wearable and Ubiquitous Computing
- Multi Carrier Modulation
- Multimedia Systems
- Natural Computing
- Natural Language Processing
- Online Communications, Collaborative Systems, and Social Networks
- Real Time and Embedded systems
- Security, Trust and Privacy
- Simulation and Modelling
- Social Informatics
- Soft Computing Techniques
- Systems and Software Engineering
- Women in Informatics
- e-Commerce, e-Business, e-Government

WCCIoT 2018 provides a great opportunity:

- To provide a platform to stakeholders to meet and share the ideas, views and new findings in the field of Computing, Communication and IoT.
- To strengthen the relationship with industries and academic institutions of the India with the rest of the world.
- To provide a space for students and researchers to meet, discuss, and learn with experts in the related field.
- To reduce the gap between the industry and academics.
- To promote a high level of interaction among stakeholders in Computing, Communication and IoT.

### PROGRAM COMMITTEE

#### CHAIR(S)

Prof. Dr. Katina Michael  
University of Wollongong, Australia

Assoc. Prof. Dr. Aduwati Sali  
Universiti Putra Malaysia, Malaysia

Prof. Dr. Kavitha C  
Global Academy of Technology, India

Prof. Dr. Kavitha K S  
Global Academy of Technology, India

IEEE Record No.: #44090  
IEEE ISBN: 978-1-5386-5657-0  
IEEE Part Number: CFP18C35-ART

#### Supporters

UNIKASSEL  
VERSITÄT

#### KEY DATES

Paper Submission Due : 2 May 2018  
Acceptance Notification Due : 2 July 2018  
Final Paper Upload Due : 30 July 2018  
Conference : 16 - 18 August 2018

#### Submission:

<http://gciot-conference.org/2018/WCCIoT18.html>

#### Registration and General Enquiries:

ICGCIoT 2018 Secretariat
